ORBIS

Orbis is a celebration of surface, silhouette, and the natural poetry of wood, brought to life through the intricate artistry of marquetry. Like a composition of layered tones and movement, each piece blends a curated mix of veneers into striking modern patterns that feel both graphic and organic, balancing bold contrast with a sense of effortless harmony. Rich oak and ash mingle with figured eucalyptus, tulip, tamo burl, curly maple, khaya, and sycamore, creating a tapestry of color and grain that invites a closer look from every angle. Grounding the collection's expressive inlay work, select designs are rendered in solid tamo burl with a deep brown finish, offering a quieter, more enveloping presence that completes Orbis with warmth, depth, and sculptural sophistication.
