BRAND STORY

At Theodore Alexander, authenticity is reflected in every detail. Defined by artisan craftsmanship and our unwavering commitment to quality, we collaborate with the world's most celebrated designers to create timeless furniture and accessories of exceptional beauty.

Built on trust, integrity, and enduring design, each piece is thoughtfully crafted to elevate today's interiors and remain relevant for generations to come.

PROVENCE

Provence is a love letter to French Provencal elegance, where every curve and carving feels thoughtfully composed and softly storied. Crafted in solid khaya and beautifully figured khaya swirl veneers, the collection highlights the natural movement of the wood with a luminous depth that reveals itself in layers. Fluted detailing and delicate floral motifs lend a graceful sense of tradition, echoing the romance of Provençal interiors while remaining polished and timeless for today's home.

Offered in two distinctive finishes, a light whitewashed palette that feels airy and sun-warmed, and a deeper brown with rich, enveloping character, Provence is completed with antique bronze accents that introduce a warm patina and complement the collection's classic silhouettes and artisanal detailing.
