ASSEMBLY INSTRUCTION

INSTRUCTIONS :

1. Turn the Leg frame (L & R) (**P3**) upside down on soft surface or carton sheet free of debris that may damage the finish.
2. Assemble the Shelf panel (**P2**) to the Leg frame (**P3**). Then insert steel allen bolt (**1**) and use steel allen open wrench (**2**) to turn clockwise direction securely. See detail 'A'.
3. Turn the Table top (**P1**) upside down on soft surface or carton sheet.
4. Put the set Leg frame and shelf panel on the Table top (**P1**) of the Table Sketch 1. Then insert steel allen bolt, flat washer (**3**) and use steel allen open wrench (**2**) to turn clockwise direction securely. See detail 'B'.
5. Turn the table upright. Item is ready to use.
