THEODORE ALEXANDER

Stephen Church

Stephen Church is a Master Cabinetmaker who designs as well as crafts fine furniture following the tradition of English 18<sup>th</sup> century cabinet makers from Adam and Chippendale to Hepplewhite and Sheraton.

## The Stephen Church Collections

Today those traditions are maintained with pride by a selected team of craftsmen working at Theodore Alexander. Stephen acquired a thorough practical knowledge of traditional cabinet making techniques and materials from an early age and has broadened his horizons by working for many years with some of the world's leading furniture specialists. His experienced eye and attention to detail bring together the finest woods and exotic veneers which are finished by hand to Stephen's exacting standards, thus replicating the aged color and patina of the finest pieces created by his famous predecessors.
