GENERAL

Items included in this Catalog may not be represented in the Theodore Alexander showroom.

Each of the unique items featured in this Catalog are the subject of copyright protection in the United States and throughout the world.

APPEARANCE

All Theodore Alexander products are manufactured to the highest standards and with the utmost care and attention to detail. Whilst we make every effort to accurately reproduce the colours of the furniture illustrated, differences in texture, grain and colour are inherent in all natural woodwork and should be expected as the individual characteristics of materials used. Variations in these qualities are not manufacturing defects and will not be accepted as such for the purpose of claims. Some changes in colour or texture may occur during the life cycle of the product, particularly in leather, wood and veneer.

All exposed surfaces of Theodore Alexander furniture are prepared, sanded and finished, even though at times they are not visible. This includes the undersides, the back and the inside of the drawer boxes amongst others.

While our fabrics and leather are sourced from the finest upholstery manufacturers, we are unable to provide a guarantee on fabrics or leather, including COM. Theodore Alexander can take no responsibility for wearability of fabric and leather or alternations to the fabrics and leather after it has shipped. We recommend the use of a professional upholstery dry cleaner in case of soiling or wear.

Items are photographed in studio conditions and the appearance of the actual items may vary from that shown

DIMENSION, SPECIFICATIONS AND STYLE
