ICONIC LUXURY

The Judith Leiber collection of home furnishings by Theodore Alexander delivers the iconic aesthetic and revered craftsmanship that has long been associated with the Leiber name. Sophisticated styles and luxurious statement pieces have been tailored to fit spaces that embrace an elegant lifestyle. Through signature Mink and Martini oak finishes, the collection embodies the essence of Judith Leiber Couture while offering pieces with a truly modern twist. The details in each design pay homage to the signature bags through elements such as brass and mother-of-pearl accents.

The collaboration includes groups that have been meticulously designed to represent the Judith Leiber Couture's connection to creative craftsmanship. With accents such as hand-painted embellishments and polished brass, the collection includes bedroom furniture, sofas, dining tables, accent tables, chairs, credenzas and etageres. Every item was created to be a sophisticated conversation piece.
