LIDO

A modern view of transitional luxe, Lido creates an air of timeless elegance that blends seamlessly with today's contemporary style. Simplistic forms and clean architectural lines, influenced by the works of George Hepplewhite, are paired with reeded carvings as a nod to the French Provincial aesthetic.

Figured Prima Vera and Beech, featured in our dark Bistre finish, is complimented by a beautifully honed Crema Marfil marble stone top. Lido's custom forged hardware adds an alluring air of sophistication in a dark rubbed bronze finish, echoing the reeding details throughout.
