ORIGINS

# BRAND STORY

Theodore Alexander is renowned for timeless style, unmatched craftsmanship, exquisite finishes and extraordinary design. We collaborate with the world's most celebrated designers to handcraft furniture and accessories from diverse materials and with an exceptional eye for detail.

We believe that innovative design and exceptional quality are paramount, and we aim for excellence in designing pieces that stand the test of time.

# ORIGINS

Inspired by an appreciation of Art Deco and Streamline Moderne, the sketches of Paul Maitland-Smith are reimaged in Origins. Long, low profiles, limited ornamentation, and attenuated forms embody the spirit of the collection, while the pieces themselves offer a sense of forward movement that can be both seen and felt.
