

The background of the entire image is a dark, textured surface, possibly wood or stone, with a fine, vertical grain. Overlaid on this are several thin, dark lines that intersect to form a geometric pattern. A prominent line runs diagonally from the top left towards the bottom right. Another line runs horizontally across the middle of the image. A third line runs diagonally from the top right towards the bottom left. These lines intersect to create a series of triangles and quadrilaterals. The lighting is soft, creating subtle gradients and highlighting the texture of the background.

XANDER NOORI

Xander Noori's multifaceted approach to ideation is grounded on ergonomic principles infused with fresh beauty and usability creating interior projects, original product and furniture design developed with a unique vision to the future.

Inspired by the juxtaposition of ancient cultures and contemporary society, Noori's work is filled with fresh and unexpected authenticity. He believes real innovation happens with quick napkin sketches on the go in cafes and coffee shops. Noori is always creating. He lives in Orange County California with his family and two daughters.
